With heartfelt appreciation,

DEBRA A. STRAHANOSKI
GFWC International President 2022-2024

FROM THE DIRECTOR OF JUNIOR CLUBS

In 1990, I saw my first Junior. I was six years old and had no clue what was going on, but there were some nice women helping children who didn't have mommies and daddies. I knew that one day I wanted to be like them.

In 2008 I attended my first Junior Woman's Club of Columbia Summer Social. It was my first look at the club from adult eyes, and I realized those nice women were familiar as they were now my coworkers, neighbors, and friends who were still helping children. I finally understood the impact they were making on strangers big and small.

In 2014 I heard my first State of the Juniors address. I cannot remember the number of hours worked or dollars donated, but I will never forget the sense of pride I felt. In that moment, I understood we all do amazing work in our own clubs and in our own states but are more powerful together.

Now in 2024, there are 3,700 Junior members in 20 states. Fifteen states have a State Director of Junior Clubs, who are the strong liaisons that keep our Junior membership vibrant and active. Together these members reported the following: almost 8,300 projects, over 190,000 hours volunteered, over \$900,000 donated, and in-kind donations of \$400,000 given.

That is not all that GFWC Junior accomplished in 2024. For the past decade I've served on the Junior Executive Committee with a group of women who I have seen grow and develop. My inaugural "class" on the GFWC Board was comprised of 16 women; 11 continue to serve on the BOD, 3 have served as State President, and 2 continued in Junior Leadership to the role of Director of Junior Clubs.

100 years ago, GFWC saw the need to develop younger women. Our levels of membership work as steppingstones to help prepare us for the next. While our membership is no longer defined by age, the statistics above prove the benefit of Junior Membership. I did not join GFWC to become a leader; you ladies suggested, nudged, and even pushed me to consider the next step and thank God you did. Because of the growth I've seen in fellow clubwomen, I created the Junior Leadership Certification Program. I'm excited to share that 26 Junior Clubs completed this program and provided leadership training to over 600 Junior members in 2023.

It's been an honor to serve as the 36th GFWC Director of Junior Clubs. Thank you for allowing me this opportunity and for Sharing Your Sparkle. It is our different sizes, shapes, colors, cuts, and natural imperfections that make us unique and give us all the ability to sparkle and shine together.

In Junior Love,

KATIE MOYDELL

GFWC International President Suellen B. Brazil (2024-2026) thanks all those who were in attendance, and expresses her special appreciation to the GFWC Alabama Installation Committee for their support and making the night one she will never forget. The event was spectacularly detailed in thought, concept, and symbolism that honored both GFWC traditions and the Brazil family.

HISTORY ON DISPLAY

by **JOANNA CHURCH, WOMEN'S HISTORY & RESOURCE CENTER LIBRARIAN**

Inspired by the historical displays featured at the Hilton Chicago—home to the 2024 GFWC Annual Convention, and to three previous conventions in 1946, 1966, and 2008—the WHRC created an exhibit on our long history of exceptional leaders. All 54 International Past Presidents, from Charlotte Emerson Brown (1890-1894) to Debra Strahanoski (2022-2024), were featured, along with additional panels on our history in the “windy city.”

Since we only had room to give each International Past President a few lines of information, the exhibit focused on “fun facts,” such as: Charlotte Emerson Brown (1890-1894) was fluent in multiple languages; Anna J.H. Pennybacker (1912-1916) wrote and published a textbook on the history of her home state of Texas in 1888; Lucy Jennings Dickinson (1944-1947) took over her father’s lumber business as a young woman; Margaret Long Arnold (1962-1964) was our youngest President, elected just before her 50th birthday; and Phyllis Jay Dudenhoffer (1990-1992) started her club career as a Juniorette.

Of course this is only the tip of the iceberg when it comes to the many accomplishments and talents, both GFWC-related and otherwise, of our 54 International Past Presidents! To learn more about our historic leadership, and discover other resources, contact the WHRC at whrc@gfwc.org.

GFWC SIGNATURE PROGRAM

TRAFFIC FREE POMONA

GFWC La Verne-San Dimas Woman's Club (CA) worked on Traffic Free Pomona. The members spent 16 hours working with Pomona law enforcement agencies for human trafficking victims. The agencies supply backpacks, and the members meet to assemble the backpacks with pajamas, comfortable clothing, a blanket, a toothbrush, toothpaste, shoes, stuffed animals, notes of encouragement, and other sundry items. The club donated \$20 worth of products. The backpacks are taken to the Pomona Police Department, where the officers give them to children and teens rescued from sex traffickers. This project aids child trafficking victims by reducing the high-stress scenario of being removed from the streets. It provided comfort as they waited for their families to be contacted and arrangements made for their safe return home.

GFWC EDUCATION & LIBRARIES

LITTLE LIBRARIES FOR NEW HOMES

GFWC Glendale Woman's Club (AZ) reached out to the corporate office of Habitat for Humanity and offered to provide little libraries for every home they deliver in Maricopa County, Arizona. The committee developed a survey to get to know the individual families, their ages, and book interests. Once a home is ready to be delivered, the club purchases and assembles a bookcase and then meets to select the family's books. Every bookcase delivery includes at least 25 books, a family-friendly board game or puzzles, and soft furry toys for the little one. They also included a club brochure so the family can learn about the GFWC Glendale Woman's Club and the General Federation of Women's Clubs. All contributing Habitat for Humanity partners are invited to the home dedication ceremony. The club members arrive early to set up the bookcase and stock the contents before the start of the celebration, then stay to meet the new homeowners and join in the day of celebration. In 2023, the GFWC Glendale Woman's Club delivered nine bookcases, fully loaded and ready for the new homeowners to enjoy.

GFWC JUNIORS' SPECIAL PROGRAM

SLEEP IN HEAVENLY PEACE (SHP)

GFWC Flushing (MI) had a bedding drive and collected 28 bedding sets; **The Women's Club of Somersworth (NH)** donated funds for a bunk bed with its bedding; **GFWC Cookeville Junior Woman's Club (TN)** donated funds to provide beds for ten children; and the **GFWC du Midi Woman's Club (AL)** members volunteered to build beds, donated funds, and their Juniors had a pillow drive, collecting 18 pillows. The **GFWC Centennial Club (MD)** had a speaker from SHP attend a meeting and donated two sheet sets and two pillows. SHP is a national volunteer organization that builds beds for children sleeping on the floor. They provide a mattress and bedding sets. Their motto is "No child sleeps on the floor in our town."

TEAM BUILDING BUS TRIP

The **GFWC Woman's Club of Redondo Beach (CA)** sponsored a Team Building Bus Trip to La La Land Revisited, based on the Oscar-winning movie that was made in Hollywood. Participants were treated to seeing iconic places featured in the movie, including the section of the freeway where the opening "dance scene" took place. Other stops were made at the Angels Flight staircase, Grand Central Market, Watts Tower, and Griffith Observatory. The purpose of this trip was to engage members and as a thank you from the club to recognize members' participation throughout the club year.

GFWC FUNDRAISING

CASSEROLE FOR CANCER PATIENTS

GFWC Columbiana Culture Club (AL) raised funds using the best way to one's heart, a home cooked meal. One club member offered to cook a variety of chicken dinners. Due to the Cottage Food Law in Alabama, they discovered they could not sell the casserole. A donation only, but for each donation of \$15, a donor would receive a casserole of their choice. One member deboned the chicken, and the other made all the casseroles. Club members were working together for the good of others. Financial burdens were eased for families affected by cancer.

2022-2024 REGION REPORTS

GFWC GREAT LAKES REGION

DANA JONES, PRESIDENT

The theme for GFWC Great Lakes Region was Advocates for Children. Our clubs do this in many ways and at the two Region Conferences held, we collectively advocated for children. 2023 was support provided to Wisconsin Children's Hospital by providing items from their wish list for the children. 2024 was partnering with a Foster Care Agency to provide thank you notes and gift cards for foster families or respite care providers.

We heard useful information from the GFWC Programs and Advancement Committees and had a lot of fun and laughter along the way. Our Quarter Auction was successful in raising funds for the Region. Attendance at Illinois, Michigan, Ohio, and Wisconsin State Conventions was accomplished as promised. Ties to states were strengthened between them and the Region.

The future of GFWC Great Lakes Region looks bright as a firm foundation is in place and strong leadership is ready to serve.

GFWC MIDDLE ATLANTIC REGION

MARY PAT MARCELLO, PRESIDENT

During the 2022-2024 administration, GFWC Middle Atlantic Region members at each Annual Conference supported the Special State Project of the host state.

In 2022, 95 members from New York, New Jersey, Delaware and Pennsylvania supported the GFWC NY Special State Project, NAMI-NY (National Alliance on Mental Health) through the creation of more than 100 individually created "thinking of you" greeting cards to share with NAMI clients, together with a \$100 donation.

To continue the goal to engage club members at all levels of membership to participate in Regional Conferences, this President attended the 2023 annual State Conventions in Pennsylvania and New Jersey to "bring the Region message" to the membership. To that end, registration for the 2023 MAR Annual Conference increased by 50% over the 2022 Annual Conference, with all member states showing an increase in attendance.

GFWC MISSISSIPPI VALLEY REGION

PAT STEVERMER, PRESIDENT

This administration's theme was "Stars for GFWC," and the project was "Coins for a Cause." In 2022, receipts of \$356.00 were given to Heaven's Helper Soup Kitchen and Thrift Store. At the Conference held in 2023, coins were collected (\$360.00) for Elevate Branson, which helps the homeless.

The 2022 MVR Fall Conference was held at the Ramada Inn in Bismark, ND. GFWC International President Deb Strahanoski was also in attendance and presented GFWC information, as well as talking at the banquet and filling in for Suellen Brazil, GFWC President-elect, who was unable to attend. The service project was at Heaven's Helpers Soup Kitchen, where GFWC members took orders, filled meal orders, or did food preparation work for vegetables used in soup.

The 2023 MVR Fall Conference was held at the Stone Castle Convention Center in Branson, MO. 103 members attended, and members celebrated the 50th anniversary of the MVR region!

GFWC NEW ENGLAND REGION

LIBBY WIERS, PRESIDENT

Conferences were held in 2022 in RI and in 2023 in CT, each attended by over one hundred clubwomen from the six New England states. Presenters shared about GFWC programs and projects. Books and various toys were collected and donated to local organizations to support this President's focus on reading and literacy. The State Presidents and Director of Junior Clubs shared their focus areas and all the amazing things their clubs do to improve lives in their communities. The Standing Rules Committee has spent this term reviewing the rules that pertain to our rotation of officers. A proposal has been drafted and will be brought before the members at the Conference in 2024. The Region is well-represented on the GFWC Board of Directors by clubwomen who spread sparkle and shine to our membership. Everyone leaves knowing more about GFWC, feeling proud of Region accomplishments, with friendships made and renewed.

2022-2024 REGION REPORTS

GFWC SOUTH CENTRAL REGION

JUNE FERGUSON, PRESIDENT

How quickly two years goes by. As suddenly as it begins, it's over. This officer's target was to create a strong connection among the women of the South Central Region. An unbreakable sense of belonging that ties them together as friends and GFWC family.

With a project of sending each other words of encouragement and realizing that every woman, no matter how diverse we may be, has a place in GFWC. This officer also strove to emphasize the need for awareness and action on behalf of the Missing and Murdered Indigenous Women.

Standing Rules were updated and new officers for the 2024-2026 administration were elected and as with everything worthwhile, we all wished for a little more time in the end. For the work is never completely finished and the job no matter the office is still to be done.

GFWC SOUTHEASTERN REGION

BEVERLY LASSITER, PRESIDENT

"The Need is Great and The Need is Now" has been this Region President's Special Project. Realizing that Covid 19 was an ongoing struggle for women, children, and families, and education fell behind, as well as a significant issue with food insecurity, domestic and partner violence, states were challenged to make an impact and help bridge the gap for vulnerable community neighbors.

Written entries were judged, and one President and one Junior Director each received a check for \$500 and the President's Coveted Jewel each year to support their entry.

New focus areas included: the *'Southeastern Scoop'* monthly newsletter, and heavy social media presence. SER held fantastic conferences, chock full of timely information and lively reports and fellowship.

This President is proud to be a member of *"SER's Jewels of the Federation"* improving lives and inspiring hope.

GFWC SOUTHERN REGION

JOYCE JOHNSTON, PRESIDENT

Our lighthouse beacons continued to shine during the second year of our administration, as the states and international affiliates worked on their state projects along with supporting GFWC projects and our Region project of Youth Leadership. During the Presidents' Brag Time the states reported working with the Juniorettes, Girl Scouts, school clubs, and other youth groups. At the beginning of last year the states were challenged to federate at least one Juniette club during the next two years. I am happy to report that so far Florida has three new clubs, Mississippi has one new club, and Belize has a new Juniette club. The other states are working towards starting new clubs. Each new club will receive a \$50 Amazon gift card on behalf of Southern Region.

Our 2023 Annual Region Meeting was held October 26-29, 2023, with Mississippi being the host state. Their theme was "The Magic of Mississippi." Mississippi's state project was literacy and working with libraries, so many of our activities centered around this theme. Attendees were asked to bring new or gently used children's books to help restock local libraries that were damaged by several recent tornados. Altogether 844 books were collected.

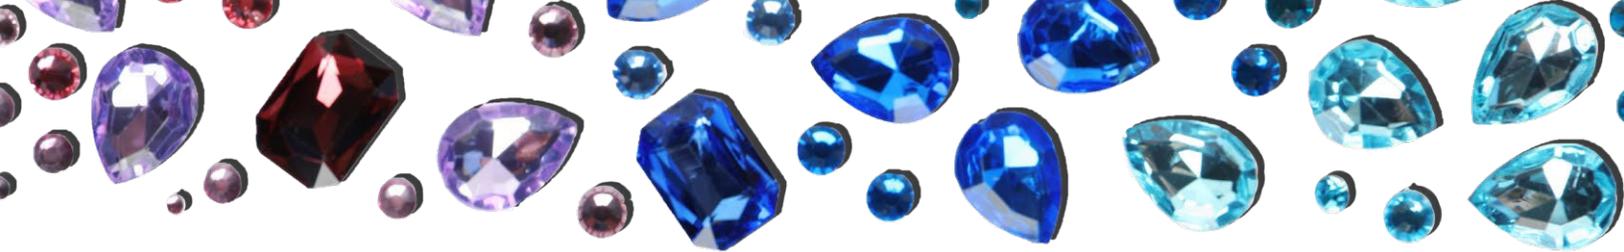

GFWC WESTERN STATES REGION

SANDI CONRADY, PRESIDENT

Our region covers all state of the western seaboard, some landlocked states and some islands too. This provides a multitude of different cultures, weather and terrain. This creates a wealth of wonderful clubwomen with varied concerns and needs.

Conferences were held in Anchorage, Alaska in 2022 and Eagle Crest Resort, Oregon in 2023. All were well attended and successful.

As something not included for many years or even at all, it was with anticipation that I added another chairmanship. I added ESO. This GFWC program provides a focus on the individual. The reader expands into different genres, Hopefully the individual grows into a better understanding of our world of yesterday, today and tomorrow. The Chairman was given time in our meeting to do a presentation and outdid herself. It was very well received and she received many kudos.

2022-2024 STATE REPORTS

GFWC ALABAMA

JAN GREER, PRESIDENT

I chose for my theme *“Living the Volunteer Spirit - Celebrating Our Everyday Heroes”*. My state special project was to celebrate our first responders such as our firemen, policemen, EMTs and medical personnel. We had just come out of the pandemic, and I wanted to let these men and women know just how much we appreciated all the work that they had done for our communities and sometimes for us personally. Our ladies had become too comfortable hunkering down in their homes. We needed to get back into our communities and let these individuals know just how important they were. I truly believe that we achieved that goal. Our clubwomen were forced out ‘into the world’ again. They made goodie bags and wrote notes to these individuals and had personal face to face conversations with these men and women.

GFWC ALASKA

KEIKO TORGENSEN, PRESIDENT

GFWC AK members participated in 46 projects, volunteered 1,393.12 hours, spent \$32,000, donated \$4,577 and gave \$6,414.99 of in-kind donations.

We celebrated GFWC AK state conventions and hosting the 2022 WSR Convention. All clubs supported a myriad of community causes that aligned with GFWC International.

Membership and limited finances are a major concern. We are down 10 members statewide and we have limited state funds. Despite that, the state exceeded the membership goal by gaining 5 new members.

This President attended Orientation and all required GFWC Board of Director meetings. In addition, she submitted all required reports on time to GFWC International. This President was appointed to the Social Committee for the 2022-2024 President’s group and nominated for President of 2024-2026 term of Deb’s Dream Team.

It has been my joy and honor to represent GFWC AK!

GFWC ARIZONA

GRACE KOBOJEK, PRESIDENT

“WE CAN DO IT! - Two parts - “WE CAN DO IT! Actions” and the “GFWC Easy Dos”. The eight actions centered around the GFWC Community Service Programs. Included projects for veterans, literacy, the Affiliate Organizations, environment (recycling), giving small flags to children and talking about the importance of the flag as a symbol of the United States. The ‘GFWC Easy Dos’ are easy for members to do, for example, signing up for the GFWC Member Portal, Legislative Action Center, WHRC, and subscribing to *GFWC News & Notes* and the *GFWC Clubwoman Magazine*.

There was increased attendance hosting in a variety of locations with interesting programs. NERC was themed "The Greatest Show in CT!"- "carnival/big top" was well attended and enjoyed. As a Member in the Madison Club along the shoreline for 34 years, I selected a symbol of the "beach" and theme of the administration; "Individually we are one wave, together we are an ocean!" The impact we have when working together is tremendous. The State Project of Women's Health & Wellness has inspired many great projects. GFWC GEORGIA

KIM SEKULOW, PRESIDENT

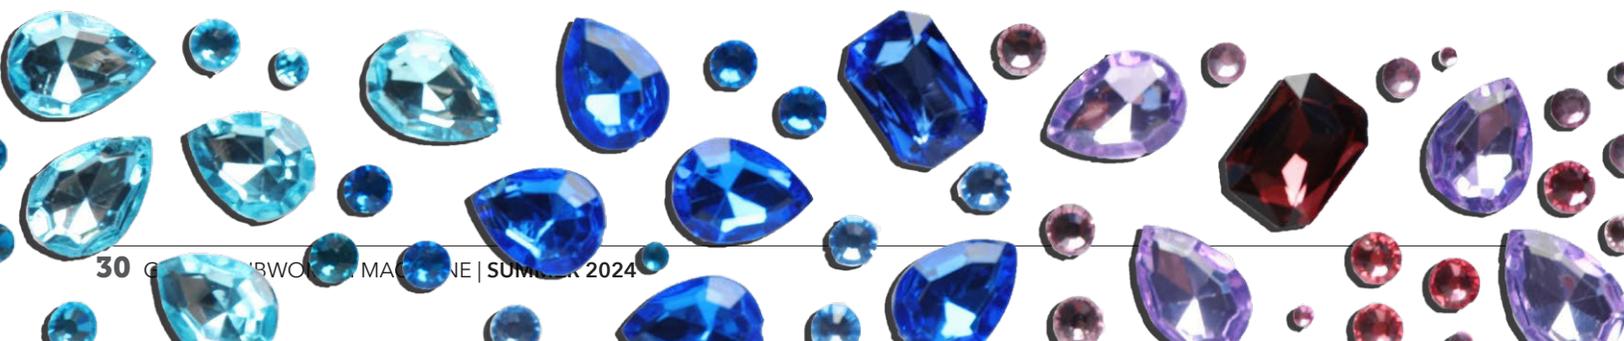

GFWC Georgia exemplified the theme of "Passion + Purpose = Power" the past two years. We modeled our passions uniquely while achieving our purpose of service and empowerment. Georgia members supported the President's project focused on human trafficking raising the goal of \$50,000 (monetary and in-kind donations) benefiting Wellspring Living, a Georgia 501c3. Members also supported the Directors focus of our military. We will close the administration by chartering a new Juniorette club at Convention. Georgia members successfully focused on membership showing an increase in membership for 2023. Other administration focuses were communication, creative fundraising and more efficient use of technology. President Sekulow and Junior Director Braun were supported by passionate officers, chairmen and members creating an impactful difference throughout our state.

GFWC GEORGIA

NICOLE BRAUN, DIRECTOR OF JUNIOR CLUBS

This administration has gone by quickly and I can say with certainty that it has been one of the most rewarding experiences I've had. From meeting new clubwomen, that I know have become lifelong friends, to the wealth of information that I have gained from being in so many international meetings is priceless. This journey has given me more self-awareness and understanding for where I can grow within this organization as well as in my personal and professional roles.

In Georgia our clubwomen have worked hard in so many different areas. I was blown away by the support that I received for my special project for the military and as always, our members have advocates for children at heart. In our CSP and advancement areas, Georgia Juniors completed 849 projects totaling 27,000 hours of work in and for our communities. There was over \$200,000 donated and \$67,000 in kind given.

2022-2024 STATE REPORTS

GFWC IDAHO

CINDY BIESEMEYER, PRESIDENT

My theme is *Change, Renewal, Hope*. In two years, GFWC Idaho has changed our By-Laws to reflect how difficult it is to find leaders when membership is dwindling. Change happened when a club in the state de-federated and one disbanded. Change sometimes can bring renewal. Our state has renewed its commitment to having a scholarship program after dropping it for many years. Some clubs are growing with younger members which was one of my goals. The goal of rewriting our entire By-laws wasn't reached, but the hope of changing them remains. We remain a State Federation by rewriting By-laws to accommodate our volunteers.

My President's Project, *Living the Volunteer Spirit by Fighting Hunger in Idaho*, was very successful with participation by all clubs. Clubs are helping with food banks, some for the first time, and at our 2023 convention we collected many pounds of canned food and donated it locally.

GFWC ILLINOIS

LEEANN CONLON, PRESIDENT

GFWC Illinois' 2022-2024 theme "There No Place Like GFWC Illinois" with a special focus on easing food insecurity and advocating for children united our clubs as we moved into a post-pandemic era. Illinois chartered three new clubs and increased our state membership for the first time since 1996. The dues remittance process was streamlined to improve cash flow, our President's electronic newsletter was formalized and renamed GFWC Illinois Connections, we overhauled and simplified the award entry process, and approved the 2024-2027 Strategic Plan. In 2023, Illinois replaced the original disintegrated trail marker that we donated in 1963 to Shawnee National Forest - one of Illinois' long-time partners. A dues increase is proposed to improve fiscal stability. Clubs enthusiastically and creatively embraced easing food insecurity locally and globally. In addition, GFWC Illinois is proudly hosting the June 2024 GFWC Annual Convention in Chicago and raised approximately \$52,000 to support that effort.

GFWC ILLINOIS

PATTI KUCHAR, DIRECTOR OF JUNIOR CLUBS

GFWC Illinois' 2022-2024 theme "There No Place Like GFWC Illinois" was also the Illinois Junior Organization's. Our Special Emphasis has been CRF (Children's Research Foundation) for many decades. We also participated strongly with Advocates for Children.

Illinois Junior clubs were very creative on GFWC National Day of Service. Many clubs have worked on the GFWC Junior Leadership Certification Program. We held zoom meetings on Award Entry procedures, Resolutions, Bylaw revisions, Strategic Planning and Dues processes, and more. This director attended the dedication of the new marble trail marker in Shawnee National Forest in southern Illinois, replacing a 1963 sign. We are supporting partners since the 1920's. GFWC Illinois juniors are proudly helping to host the June 2024 GFWC Annual Convention in Chicago.

GFWC INDIANA

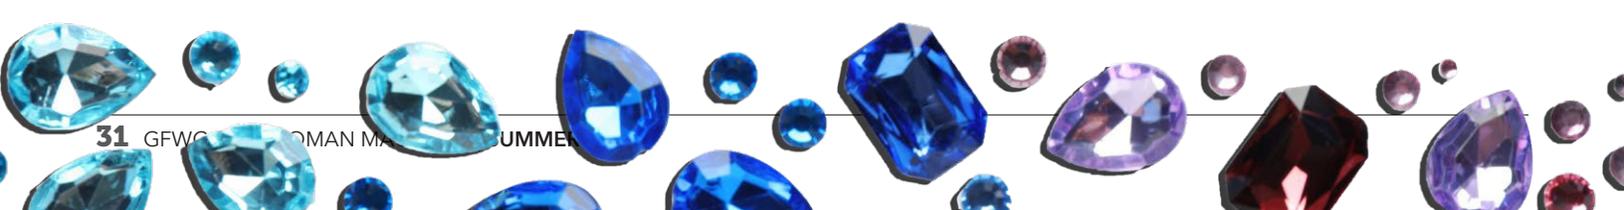

MARIANNA MCCOMBS, PRESIDENT

In the past 2 years this officer held Zoom meetings to avoid travel and save money. This officer attended the BOD meetings in Denver, DC, NOLA, KY. GFWC IOWA

NANCY TABOR, PRESIDENT

My 2022-2024 GFWC/Iowa theme was Hearts United Raising Awareness. My focus areas were Human Trafficking and Mental Health. Iowa clubs were challenged to have programs that raised community awareness and to find ways to support their community members challenged by these issues. Clubs rose to this challenge with enthusiasm. They held community events with speakers, movies and other activities. Iowa communities now know who GFWC/Iowa is and what we do for the communities across Iowa. We lost some clubs due to illness and age, but gained members in existing clubs. These last two years saw some changes in meetings, styles, procedures. Members were polled for ideas about future planning and some ideas were implemented. Some worked, some did not. But what never failed, was the willingness to re-examine old habits, cultures and ideas and the willingness to keep some and talk about changing others.

2022-2024 STATE REPORTS

GFWC KANSAS

JANINE EILERT, PRESIDENT

The GFWC Kansas theme for this administration was "GFWC: Make the Whirl Go 'Round." The president's symbol was a pinwheel which is a powerful spinning symbol of hope. State projects were food insecurity and supporting youth with diabetes. To date over 7000 food items have been donated to local food pantries with the ultimate goal of 9999 items within reach. Clubs and the state also participated in the National Day of Service. Two youth diabetes summer camps were supported with contributions of camp essentials and close to a \$900 monetary donation. Increasing membership was the hope of this administration. Membership did increase in 2022-2023 and a new club was added. Student scholarships continue to be awarded for State Music, Art, and Citizenship Essay Contests. GFWC Kansas continues to hope to "Make the Whirl Go 'Round" in their communities.

GFWC KENTUCKY

SUSETTE REDWINE, PRESIDENT

Hospitality and membership to "Moving Kentucky Forward" was our goal. We accomplished both. We welcomed SER to Lexington in October of 2022 where we had horse racing and hats. In June of 2023, we welcomed you to Louisville where we were to have horse racing but we had hats! The administration started with a Flamingo Flock, learning about the 2022-2024 administration with hands on activities. We had changes in administration as we welcomed Sherri Hammons as the Director of Junior Clubs. Communication was a key as 13 Clubwoman Publications were produced along with Monday Communications to presidents continued. Districts changed from numbering to names and the highlight of the 2024 State Convention was the Lip Sync Contest for Kentucky MADD. We welcomed back a new Club who left federation over 75 years ago. The state scholarship was awarded to a medical school student. Members donated books, drink packets, pillowcases, and more. Kentucky sparkled and shined.

GFWC MAINE

MAUREEN PROVENCAL, PRESIDENT

GFWC Maine has been 'Soaring to New Heights'! Kites, the signature imagery compared likeness to clubs, are of various kinds of people who bring diverse skills, talents, and abilities to an organization.

The Presidents project for the 2022-2024 administration centered around 'Raising Awareness of Mental Health' and incorporating issues through all the GFWC programs.

The signature project supported the Yellow Tulip Project and received enthusiastically as all Clubs participated planting 'Hope Gardens' in communities. 700-plus yellow tulip bulbs planted, sent the message hope is available and people care. Talking about Mental Health brings anxiety for many, and the message was, we will feel 'uncomfortable' to navigate.

Puzzle pieces were created from each Club depicting its history to demonstrate 'You are a Piece of the Puzzle' of GFWC Maine.

And, 'Know your Why' had been encouraged to engage members to stand proud and share the worthy causes promoted by GFWC.

2022-2024 STATE REPORTS

GFWC MARYLAND

CYNTHIA DYKES, PRESIDENT

The theme for this administration is: "Membership Matters! Let us be like Rabbits and Multiply." During my two years as state president, we have added one junior club and membership has increased by around 50 members. I would have liked more, but I am pleased with any increase.

My state special project is alleviating food and housing insecurity. Anything that makes this better is wonderful. I was pleased that GFWC selected food insecurity for its National Day of Service for both 2023 and 2024. I was pleased with all the efforts made in our state and GFWC with this problem.

My only goal for my administration was and continues to be, to make things better for more. Our state was able to bring back State Youth Art contest. The district issue was resolved with a compromise. It is all good!

GFWC MASSACHUSETTS

T JABLANSKI, PRESIDENT

Imagine. You may say I'm a dreamer, but I'm not the only one. I teamed up with NAMI to help members with mental health support and education. We added mental health segments to all our meetings and made an online resource book. Plus, we gave out club grants for mental health projects.

At the beginning of my administration, I proactively tackled a pressing concern confronting our organization: the potential loss of non-profit status for our clubs amidst the transition of our federation.

Additionally, I facilitated the reconciliation process with a defederating club, whose funds had been lost to the state. Through diligent efforts, I successfully recovered funds that will benefit our state organization's financial and physical stability.

I uphold the ideals in the timeless lyrics, "Imagine all the people living life in peace." I remain committed to fostering unity and progress with our federation and beyond. Know Your Worth.

GFWC MASSACHUSETTS

MARISA JABLANSKI, DIRECTOR OF JUNIOR CLUBS

The theme for GFWC Massachusetts Junior Membership this administration was "Stand Tall and Proud with GFWC" and Massachusetts Juniors did just that! In addition to the efforts Junior clubs have made to improve their communities, this Director is proud to report that three clubs are pursuing Club Leadership Certification offered by GFWC.

A highlight of the administration was changing the way past leaders were honored at a state meeting. At the Convention in 2023, each Past President and Director sat at a table with a centerpiece matching the theme of their administration. They had the pleasure of sharing highlights of their time in the spotlight with clubwomen.

This administration has carried on the progress made by the previous administration to work on combining state meetings with GFWC Massachusetts. Junior Membership has successfully had their leadership and voices heard at the state level and continues to Stand Tall and Proud with GFWC!

GFWC MICHIGAN

KATHY LEWIS, PRESIDENT

GFWC Michigan has evolved throughout the 2022-2024 Administration. With the president's theme being "Dream - Explore - Discover," Michigan prepared goals, researched possibilities, and created changes to keep up with our ever-changing world.

First, a new website was needed. We wanted user-friendly, "registering on-line," and merchandise purchasing. We scrapped the old and started fresh. Our new website is running! Members have especially enjoyed "fillable forms" for reporting, plus registering and paying for our state convention online.

Next was the extreme need for new leadership. The state president, 1st VP, and 2nd VP, created a joint-presidents' project - "Michigan LEADS." These officers are committed to keeping the program going for 6 years as it gets off the ground. In 2022, they launched their new program, assisted by GFWC LEADS graduates. It was a success! In 2023, the "2nd Annual Michigan LEADS" was held. This event resulted in multiple applications for GFWC International LEADS.

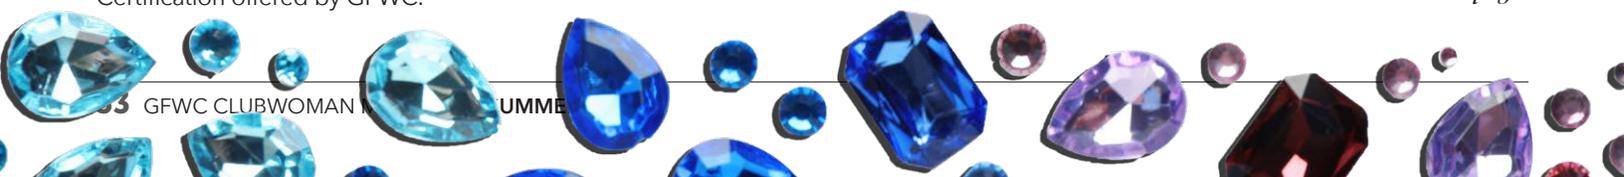

GFWC Michigan is proud to be open to change and committed to evolving even more in the upcoming administrations.

GFWC MINNESOTA

LINDA BLUE, PRESIDENT

GFWC of Minnesota 2022-2024 highlights. Presidents theme was "Heroes Everywhere". Members asked to show appreciation to heroes that helped us navigate the years of Covid and the new 'normal' we had to adjust to. Hosted two workshops, where we passed on the information that was provided at National Convention. Hosted two State Conventions and introduced a new LEADS program for the state membership. 2022-2024 STATE REPORTS

I live each day by following the petitions in the GFWC Collect, such as: Don't find fault with others; Don't be hasty in judgment; Take time for all things especially others; Remember little things make a difference; and most of all never forget not to be kind. Looking forward to serving GFWC in the years ahead.

GFWC NEVADA

CHERIE WILLIAMS-DEWITT, PRESIDENT

GFWC is truly an inspiration and sisterhood that is helping me deal with the death of my husband. He is the catalyst for my President's project of Organ Donation Education. I will continue to create a project that reaches out to communities that need education to make educated decisions about organ donation. These decisions will help us to reduce the hundreds of thousands of people waiting for transplants. I will share my program with other state presidents in order that this will be able to support Health and Wellness across the country. I am learning to work through the grief to get the work done. Thank you for your support and Federation friendship. I would not survive without the hundreds of cards and comments of support.

GFWC NEW HAMPSHIRE

BETH ROTH, PRESIDENT

It is difficult to imagine what the world was like in the spring of 2022. All GFWC State Federations were attempting to jump start our meetings and programs after one of the most impactful global pandemics caused by COVID. It is difficult to remember that the previous administration, like many states, took such safety precautions to have meetings on ZOOM, interfering with our usual comradery, wearing masks, when together, not hugging to bring comfort! Our immediate Past State President was not able to hold any state meeting face to face and we all became fast experts of ZOOM protocol. The distancing was difficult and negative.

It is hard to imagine yesterday because this administration's members proved our resiliency. Our federation, rose up, shook the cobwebs out and focused on plans to have fantastic state meetings, projects to inspire, partnerships for building relationships, fund raising for maintaining club houses, gaining members just by asking one friend at a time to join, plans for feeding the hungry throughout our State, and reminding each other how to have fun as we celebrate, Sparkle and Shine! Today GFWC-NH members are out in our Communities once again: making a significant difference, and so proud to say, "We Are GFWC"!

GFWC NEW JERSEY

SHIRLEY HOLLY, PRESIDENT

Theme - Love, Loyalty, Friendship - The Bonds of Volunteerism

Special State Project - Emmanuel Cancer Foundation

Administration Goals - 2024 is our 130th anniversary, 2 years ago I challenged clubs to do "130 Anniversary Celebration" projects. They could be projects from all areas of federation work. There was an emphasis on PR- encouraging all clubs to send 130 press releases and membership - as a state if every club retained their membership and brought in only one new member, we will have met the goal of increasing our membership by 130.

Some of the 130 Anniversary Projects completed were books to libraries, canned goods to food banks, bras to shelters, cookies to Veterans, time spent w/seniors and press releases.

Our membership increased from the first to second year by 256, also chartering one new juniorette club and one new woman's club not included in the count.

GFWC NEW MEXICO

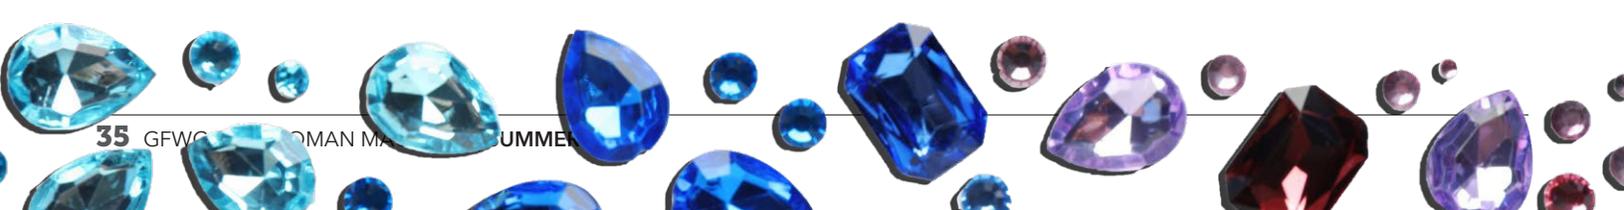

VALERIE REDINGTON, PRESIDENT

"One of the most important leadership lessons is realizing you're not the most important or the most intelligent person in the room at all times"...Mario Batali

Leadership as GFWC New Mexico President has brought two amazing years of learning. Leading volunteers is rewarding and sometimes challenging. I have learned who has my back and is cheering me on. I have learned who the pillars of stability and growth are within my State. I have learned new ways of seeing things, new ways of doing things, obstacles as opportunities, the importance of personal growth and so much more!

It has been rewarding and important work in defining Advocates for Children as the focus of my administration. We were recognized by the Governor of New Mexico with a proclamation and increased our projects for children from 20 to 32 over the two years, along with dollars and in-kind donations. Members grew awareness and showed their generosity of Camp Enchantment, a free camp for children in New Mexico who are experiencing cancer.

My message to our members is to never stop challenging themselves. Personal growth is a rewarding endeavor!

GFWC OHIO

KAREN MARGALA, DIRECTOR OF JUNIOR CLUBS

Serving as the GFWC Ohio Director of Junior Clubs for the past two years has given me the opportunity to meet amazing ladies, not only from the State of Ohio, but from our entire country and to travel places that I probably would not have had the opportunity to do so. I am pleased to have accomplished the following:

My theme for my administration is "Our Roots Run Deep", concentrating on membership, with the Celtic Tree of Life as the symbol for my pin. My focus was to encourage members to learn about the history of GFWC and also learn the history of their own club as well.

In honor of our GFWC President, Deb Strahanoski's, theme "Sparkle & Shine" a state wide campaign was started by putting a jewel on all of our members cell phones to remind those we love not to pick up their phone and text and drive.

GFWC OKLAHOMA

PATTY BURKHEAD, PRESIDENT

The GFWC Oklahoma 2022-2024 Post-Pandemic Report could easily be titled "FROM PANDEMIC TO PARADISE WITH THE PIONEER WOMAN" and "KILLERS OF THE FLOWER MOON". The challenge after the Covid 19 Pandemic was to bring Joy and Fellowship to all GFWC-OK members who had experienced isolation and aloneness. What better joy than gathering in Paradise, the home and ranch of the Pioneer Woman (TV Food Channel star). The Celebration Convention was a monumental success of sharing new methods of service in difficult times.

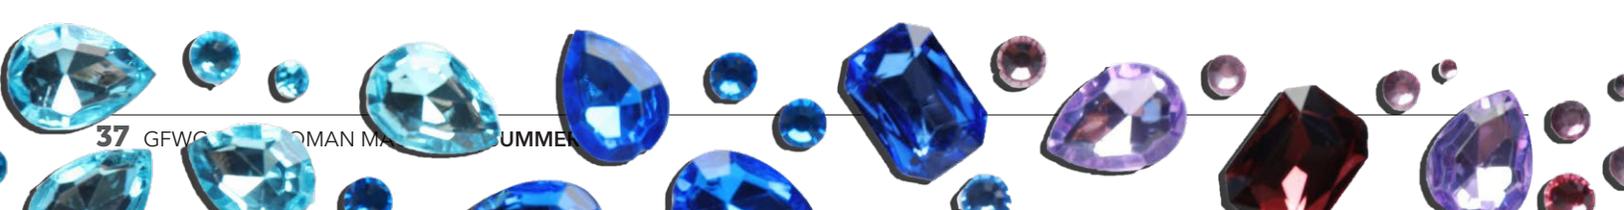

The Oklahoma State Project was support and awareness of the "Missing and Murdered Indigenous Women" chapters, founded in the Indian Capital of the nation, Anadarko, Oklahoma. This gained International attention and awareness when the movie "Killers of the Flower Moon" was released. These tragedies originating in our nation's history are now brought to life for all to see. GFWC-OK will always remain financially and emotionally caring for our Indigenous Natives.

GFWC OREGON

WENDY WHEELER-JACOBS, PRESIDENT

Notable accomplishments:

- All board positions filled. Second Vice president was replaced within 60 days of quitting.
- Hosted the Western Region Conference. This is a big undertaking for states with few resources (people/funds). We did not go into debt, and I am proud of our fundraising efforts.
- Increased both membership numbers and attendance at our Annual Convention and Annual Leadership Seminars.
- Adopted modern technology to facilitate online fundraising (GiveBox) and collaboration (Google Workspaces). We continued to improve our communications, (Website, Facebook, Newsletter) including updating the GFWC emblem.
- My administration special project "Keep Oregon Green," presented speakers on awareness of wildfire safety and prevention. We even adopted a new resolution on wildfire safety.
- We hosted 2 Annual Conventions, 2 Fall Board Meetings and 2 Leadership Workshops, all of which brought in outside speakers to provide continuous education to members.

2022-2024 STATE REPORTS

GFWC PENNSYLVANIA

HEIDE CEBRICK, PRESIDENT

The theme for this administration was "Light the Way". This officer believes that as we interact in our daily lives, we should project and radiate the values of GFWC in all that we do. That we Light the Way with our Generosity, Friendship, Wisdom, and Compassion.

The President's Project, Operation "We've Got Their Six," focused on Veterans and the Military. This phrase means "We've got your back". The Clubwomen really stepped up in having events to socialize with the Women Veterans and Veterans in nursing homes. Becoming comfortable and accepted by civilians is an important part of healing for those with PTSD. Interacting with our Veterans and showing them they are remembered and appreciated is very rewarding.

GFWC RHODE ISLAND

PAULA ANDREWS, PRESIDENT

First and foremost, my focus was children and helping prevent child sexual abuse. I partnered with three agencies that provide treatment, intervention, education, and support to Rhode Islanders of all ages. During my administration, all RI members joined me to support abused children. Monetary donations and wish list items were collected at state meetings for these agencies. With the support of 200 RI members, I fulfilled my goal of making a difference.

Additionally, The GFWC National Day of Service in September 2023 was a testament of our generous members as we delivered 200 pounds of food to the RI Community Food Bank. I received a proclamation from our governor attesting to our hard work and dedication for this worthy cause as we joined all our GFWC sisters across the country.

GFWC SOUTH CAROLINA

NORMA ENGLAND, PRESIDENT

I am proud to have served GFWC and GFWC-South Carolina the past 2 years as president.

One highlight of my administration has been chartering four new clubs in South Carolina.

Another highlight was our 125th Convention Anniversary Celebration in April 2023.

Another accomplishment was working make the GFWC-SC *Clubwoman Magazine* an online publication.

South Carolina Clubs embraced the GFWC National Day of Service.

I am very proud of how club around the state have embraced my Special Projects—Elder Abuse Awareness/Prevention and Project Lifesaver. Clubs have done so many varied project to promote Elder Abuse Awareness. Four Clubs have actually worked and donated over \$7,000 to get Project Lifesaver started in their counties. Other clubs have given donations to local Project Lifesaver groups. GFWC-SC raised about \$700 through the sale of note cards at State events also.

I am proud of what GFWC-South Carolina has accomplished the past two years!

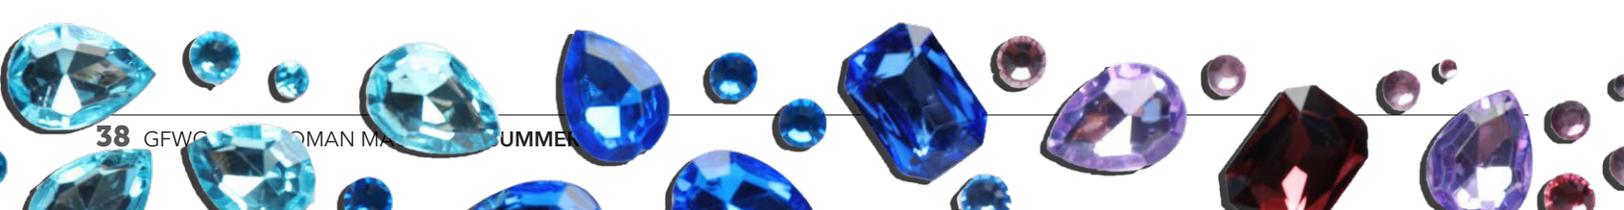

GFWC SOUTH DAKOTA

PAMELA HALLMAN, PRESIDENT

Although South Dakota has only four clubs and a total membership of 106, GFWC of South Dakota made a significant impact within their communities and the state. "Bee a Donor" was the president's theme during the 2022-2024 administration. My president's project was Recycled Jeans for Recycled Organs. Clubs were encouraged to create items from denim jeans with sale proceeds going to the state kidney foundation. One club also collected money as an organ donation project at their business meetings.

I am proud of all the accomplishments my clubs achieved during my term as president in 2022-2024.

2022-2024 STATE REPORTS

GFWC TEXAS

BILLIE WILLIAMS, PRESIDENT

Theme: "Protecting the Pollinators"

Goals: Updating State Website and Facebook Page

There were lots of references to "Bees" during this administration, from the District President's group name, "Billie's Bees" to all manner of motivational quotes, "Bee Sweet as Honey & Volunteer" ...to having each club across the state purchase and donate a Bee Hive through Heifer International. It is exciting to announce that goal has been surpassed over 3 times. The final count has been over 331 beehives purchased from clubs, districts and individuals.

The new webpage is still a work in progress and the updated Facebook page is receiving more 'hits' from across the state and nation as it becomes more well known.

We almost lost one club but are set to gain 1 new club next term. We are treading water but managing to keep our head above water.

GFWC VERMONT

BEVERLEY PALLMERINE, PRESIDENT

The GFWC of Vermont 2022-2024 Administration has kept its membership at 151 members within four clubs. Each is very successful, some getting new members and some holding on. Their communities are what is most important to them. However, all participated in the State President's Project, Dress a Girl Around the World. It coordinates well with the GFWC Signature Program.

Leadership continues to be our biggest hurdle. GFWC Vermont's 2024-2026 administration will go forward with new officers.

Vermont's Barbara Jean Barker Memorial Scholarship for a Vermont woman wishing to advance in, or enter the workforce, has given \$10,000 to seven women this administration. It gives us great hope for the future as we see what these women are accomplishing.

GFWC VIRGINIA

DENISE PRICE, DIRECTOR OF JUNIOR CLUBS

The theme for this administration is "GFWC Virginia Juniors Leading the Way", to support our children across the commonwealth. For this reason, Advocates for Children was chosen, as the GFWC Virginia Junior state project.

Using the compass as my symbol, each district was assigned a direction over the course of this administration. We headed "North" to collect pajamas and toiletries for children. We then moved "East" to collect over 2,000 items for a prize closet at a local children's hospital. We then headed "South" to collect personal hygiene products to be distributed to local schools. We finally moved "West" to collect diapers and wipes for babies in need.

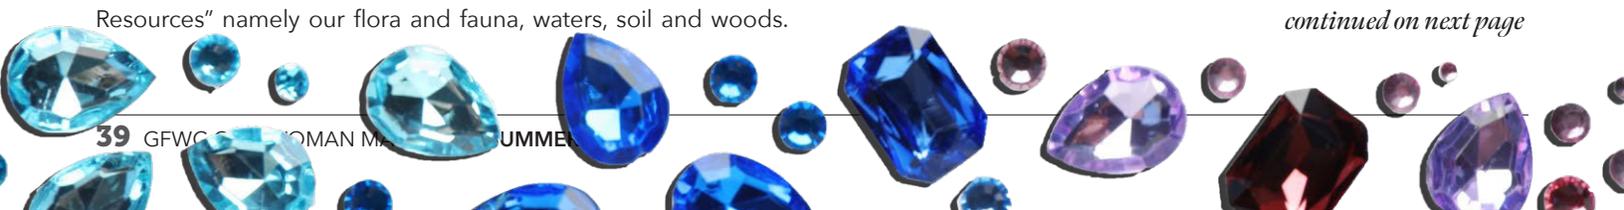

GFWC Virginia clubwomen came together to lead and support these children's initiatives. Because of their efforts, so many children across Virginia benefited from their generous contributions.

GFWC WASHINGTON

SUSAN TYLER, PRESIDENT

One of the more significant projects was the Arts and Culture CSP. GFWC Battle Ground spent the better part of two years working on a history of Battle Ground Lake as a resort, before it became a state park. Hours of research at the local library and newspaper gave rise to interviews; local news releases brought even more people forward to share their stories and photos of the resort; the state archivist in Olympia found the original documents from the 1870's that shared light on the original owners. The result of all this hard work—a 60 page booklet which was sold at local

events, and donated to libraries in the area. Since the booklet was marked with the GFWC and GFWC-WS logo, it also increased awareness of the GFWC in the community. "Bottoms Up" was the intriguing name for a project to design and sew seat cushions for an 1896 church that was renovated and repurposed as a performing arts center. Not just cushions, these were works of art each individually designed and sewn. This is just a small sample of all that's been done by Clubwomen in Washington state. It has been a privilege to represent the members and all their hard work at GFWC conventions and Board of Directors meetings.

GFWC WEST VIRGINIA

CATHY JO BRYANT, PRESIDENT

During the 2022-2024 administration GFWC West Virginia honored and served our veterans through the state special project. The project logo, H.E.R.O.E.S, spelled out our commitment to our Veterans. We Honored those that have served and are serving; Educated our generation and future generations about service, volunteerism, and sacrifice; Respected our veterans and promoted respect within our communities; provided Opportunities to our clubs to help veterans and opportunities to our veterans; Empowered our veterans and our communities to develop veteran's programs; and Served our Heroes. Members were the boots on the ground serving our HEROES.

Another goal of this administration was to reignite our passion for federation. GFWC West Virginia clubwomen did just that. Meeting attendance increased, and excitement flowed throughout the state. From local club meetings to districts to state events, members enjoyed all the benefits of belonging.

GFWC WISCONSIN

NANCY DICKMAN, PRESIDENT

GFWC Wisconsin reports 1,457 members in 43 service clubs and four state clubs over six districts. This President's slogan is "Be the Light" which emphasized the value of incorporating arts in raising the quality of life in our communities. The Special Project, titled "Arts LIVE!" committed \$100 grants to each club that accumulated \$500 of contribution to non-professional performing arts initiatives such as school music or drama efforts, community plays, team competitions with a performance component - all to encourage the city and town groups and schools to continue performance arts initiatives and education that resulted in \$23,300 pushed back into communities.

Highlights include expanded funding for a full year poet-in-residence program through Wisconsin's Own Library, the collection owned by GFWC-WI; successful implementation of

learning programs at each state meeting; updating all governing documents of the state organization; strong representation on the Region and International boards.

The State Federation remains fiscally sound.

GFWC WISCONSIN

SUZANNE HOOSER, DIRECTOR OF JUNIOR CLUBS

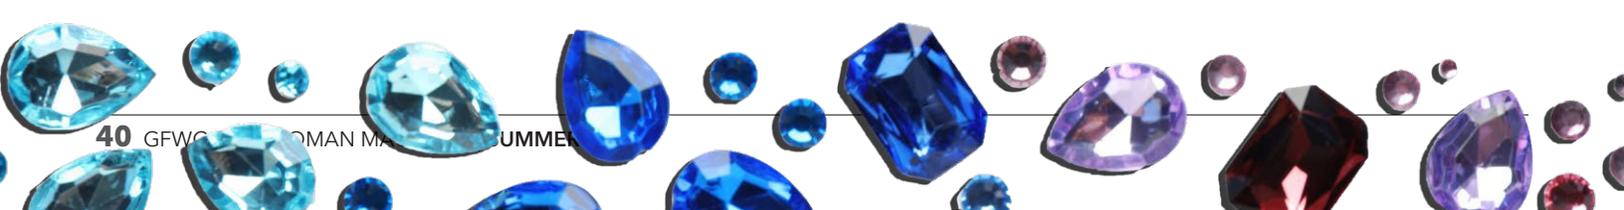

The Wisconsin Juniors have been supportive of "Turning Stones to empower youth". Junior clubs reported projects with their community youth in mind. Always supporting and volunteering to make the lives of children a little better. Clubs have donated winter clothing, socks, underwear, and hygiene products. They have participated with other like-minded organizations in the community, Boys and Girls Club, Stryv365, Feeding America, Girl Scouts, and Big Brother/Big Sisters to provide youth leadership programs. Clubwomen have fundraised, donated, and gave scholarships. Wisconsin clubs participated in the Day of service and participate on a regular basis to help with food insecurities. Participation from clubs with "Sending a Girl to School" Through Heifer international was supported and funds were collected so we could send \$275 to help one girl through this program. We will be sending another \$275 at the end of my administration to help yet another girl. Juniors embrace the challenge to help youth succeed in life by providing the necessary tools. CIVIC ENGAGEMENT AND OUTREACH

SHARON OLIPHANT, CHAIRMAN

In 2023, our General Federation of Women's Club members continued to recognize our Essential Workers and dedicated many hours to honoring them. Since the pandemic, we have seen an increase in sensitivity to the jobs that are done in our communities. The outline of different projects that could be used, our members were very creative in all of the ways we celebrated those who do the jobs that keep our communities strong and safe. Our members also worked with our Veterans. Not only those that are serving currently, but those that have served, gave their lives, are in local Veterans Hospitals, Honor Flights, by cleaning headstones, and saluting our United States of America with patriotic celebrations and recognitions. We also celebrated with enthusiasm the first on-going project of GFWC, Food Insecurity and Hunger. No matter the size of a club, we all saw the direct impact of food insecurity when the project information was presented to the clubs.

I have seen the true hearts of our members when a challenge of food insecurity, homelessness, recognition of essential workers, working with shelters, honoring veterans, and just the words of "can you help."

This was established in July 2022 to encourage monthly/yearly donations to support the scope of work of GFWC and as a means of consolidating donor contributions to all GFWC funds in an easily tracked method.

A single donation form was designed to incorporate all GFWC restricted and unrestricted funds, including GFWC Annual Fund (unrestricted), Jane Cunningham Croly Gravesite, Headquarters Marquee/Iron Work (July 2022–December 2023), Headquarters Façade Restoration and Beautification Project (January 2024–June 2024), Library Disaster Relief, Signature Program: Success for Survivors Scholarship, Friends of WHRC, 1734 Society, Programs, and Endowment. Donors used this form to make contributions to any of these funds thereby simplifying the donation process. All donor contributions are cumulatively documented and tracked so that when milestone donation amounts are reached, donors will be recognized in an appreciative manner.
